1. **Definition of "Customer Information" and "Financial Information"**
The term "Customer Information" includes, but is not limited to, the name, address, telephone number, and e-mail address of the customer. "Financial Information" includes, but is not limited to, account numbers, balances, and transaction history.

1. **Collection and Use of Customer Information**
Customer information is collected from the customer when the customer opens an account with the company. The information is used for the purpose of providing services to the customer.
2. **Retention of Customer Information**
Customer information is retained for as long as the customer is active with the company. After the customer has been inactive for a certain period of time, the information may be destroyed.
3. **Disclosure of Customer Information**
Customer information is not disclosed to any third party without the customer's consent. However, the information may be disclosed to a third party if it is necessary to provide services to the customer. The information may also be disclosed to a third party if it is necessary to comply with the law.

2. **Security of Customer Information**
The company has implemented strict security measures to protect customer information. All information is stored in a secure database. Access to the information is limited to authorized personnel only. The company also has a disaster recovery plan in place to protect the information in the event of a disaster.

3. **Customer's Right to Access and Delete Their Information**

1. **Customer's Right to Access and Delete Their Information**
Customers have the right to access and delete their information. Customers can access their information through the company's website. Customers can also delete their information through the company's website or by contacting the company. Customers can also delete their information through the company's website or by contacting the company.
2. **Customer's Right to Opt Out of Marketing Communications**
Customers have the right to opt out of marketing communications. Customers can opt out of marketing communications through the company's website or by contacting the company. Customers can also opt out of marketing communications through the company's website or by contacting the company.
3. **Customer's Right to Portability of Their Information**
Customers have the right to portability of their information. Customers can request that their information be transferred to another company. Customers can also request that their information be transferred to another company.

If you have questions or concerns, contact your healthcare provider. A member of your care team will answer Monday through Friday from 9 a.m. to 5 p.m. Outside those hours, you can leave a message or talk with another MSK provider. There is always a doctor or nurse on call. If you're not sure how to reach your healthcare provider, call 212-639-2000.
