

Memorial Sloan Kettering Cancer Center

The image consists of three horizontal rows of black squares. The top row contains 15 squares of uniform size. The middle row contains 10 squares, with the last five being significantly smaller than the first five. The bottom row contains 10 squares, with the first four being smaller than the last six.

() | ,

A horizontal sequence of black squares. The first two squares contain a question mark, indicating they are unknown or missing values in the sequence.

A 2x10 grid of squares. The top row has 9 solid black squares followed by one empty square. The bottom row has 8 solid black squares followed by one square containing a large white question mark.

A horizontal sequence of black squares. The first seven squares are grouped together, the next three are grouped together, and the last four are grouped together. A large black question mark is positioned below the third square from the left in the second group.

The image consists of five horizontal rows of black squares. Each row is composed of approximately 20-25 squares. The first four rows end with a single vertical bar positioned at the right edge of the row. The fifth row ends with a double vertical bar, consisting of two bars placed side-by-side at the right edge.

If you have questions or concerns, contact your healthcare provider. A member of your care team will answer Monday through Friday from 9 a.m. to 5 p.m. Outside those hours, you can leave a message or talk with another MSK provider. There is always a doctor or nurse on call. If you're not sure how to reach your healthcare provider, call 212-639-2000.
