

PATIENT & CAREGIVER EDUCATION

Support Resources for Adolescents and Young Adults (AYAs)

This information lists support resources for people ages 15 to 39 who are getting treatment at MSK.

MSK programs

Adolescent and Young Adult (AYA) Program

We understand that being diagnosed with cancer or a blood disorder in your teens or early adulthood can be very challenging. To help support you, MSK offers the AYA Program for young people ages 15 to 39. This program aims to meet your unique needs throughout your care at MSK. Visit www.msk.org/aya to learn more.

Working with your care team and specialty services, this program offers support with:

- Life outside of cancer treatment
- Mental health resources and counseling
- Managing side effects during cancer treatment

- Fertility and sexual health
- LGBTQIA+ resources
- Working, attending school, or both during cancer treatment
- Financial and insurance concerns

The AYA Program also offers opportunities to connect with others through:

Virtual Programs

Our Virtual Programs lets you connect with your peers, chat, and enjoy activities together. Programs include arts and crafts workshops, yoga, trivia and game nights, workshops on topics important to young adults, and more. You can find all our virtual offerings by visiting www.msk.org/events and searching for “young adult.”

Support Groups

The Department of Social Work offers support groups to talk about the unique patient experiences of young adults. Groups are run by an oncology social worker.

- **Young Adult and Young Onset Support Group:**
This is an online support group for young adults (ages 21 to 49) who are in active treatment at MSK. Visit www.msk.org/event/young-adult-young-onset-support-group to learn more or register.

- **Post-Transplant Online Group for Young Adults:** This is an online support group for young adults (ages 18 to 39) who have had a stem cell transplant at MSK. This group is open to patients who are at least 1 month out from their initial transplant admission. Visit www.msk.org/event/post-transplant-online-group-young-adults to learn more or register.
- **Young Adult Caregiver Support Group:** This is an online support and education group for young adult caregivers (ages 18 to 45). This group is open to caregivers of adults who are in active treatment at MSK. Visit www.msk.org/cancer-care/patient-education/young-adult-caregiver-support-group to learn more or register.

The Lounge App

MSK support services

The following activities and support services are available to MSK patients of all ages, including adolescents and young adults. **Some services may need a referral from your care team or may charge a fee.**

Cancer and Fertility Program

Some cancers and cancer treatments can affect your fertility. Talk with your healthcare provider about your fertility options before treatment. You can also ask them for a referral to our [Cancer and Fertility Program](#).

Counseling Center

Many people find that counseling helps them. Our [Counseling Center](#) offers counseling for individuals, couples, families, and groups. We can also prescribe medicine to help if you feel anxious or depressed. Ask a member of your care team for a referral or call 646-888-0200 to make an appointment.

Help for Caregivers

MSK offers a variety of [information, services, and support](#) to help you in your role as a caregiver. Email forcaregivers@mskcc.org to learn more about support groups for caregivers.

Integrative Medicine Service

Our [Integrative Medicine Service](#) offers many services to complement (go along with) traditional medical care. For example, we offer music therapy, mind/body therapies, dance and movement therapy, yoga, and touch therapy. Call 646-449-1010 to make an appointment for these services.

You can also schedule a consultation with a healthcare provider in the Integrative Medicine Service. They will work with you to make a plan for creating a healthy lifestyle and managing side effects. Call 646-608-8550 to make an appointment for a consultation.

Medical Nutrition Therapy Services

Our [medical nutrition therapy services](#) gives personal and evidence-based medical nutrition therapy to MSK patients. They can help you manage nutrition concerns, including those related to your cancer diagnosis. Call 212-639-7312 to learn more.

Patient Financial Services

Our [Patient Financial Services](#) specialists are here to help you make sense of your insurance and payment questions. They can help whether you're a new patient or already in treatment. They also host [informational sessions](#) about health insurance coverage at MSK.

Resources for Life After Cancer (RLAC) program

At MSK, care does not end after your treatment. Our [RLAC program](#) is for patients and their families who have finished treatment. We offer seminars, workshops, support groups, and counseling on life after treatment. We can also help with insurance and employment issues. To learn more, email RLAC@mskcc.org or call 646-888-8106. You can also see our [calendar](#) of upcoming programs and events for cancer survivors.

Sexual Health Programs

Cancer and cancer treatments can affect your sexual health. These changes can affect you physically and emotionally, decreasing your interest in sexual activity and lowering your confidence. MSK's sexual health programs can help you before, during, or after your treatment.

- To see a specialist in our [Female Sexual Medicine & Women's Health Program](#), ask a member of your MSK care team for a referral. You can also call 646-888-5076 to learn more.
- To see a specialist in our [Male Sexual & Reproductive Medicine Program](#), ask a member of your care team for a referral. You can also call 646-888-6024 to learn more.

Social Work Services

Social workers are available to provide emotional and practical support to patients and families. Our [Social Work team](#) offers disease-specific [support groups and programs](#). Call 212-639-7020 to learn more.

Spiritual Care

Our chaplains (spiritual counselors) are available to listen, help support family members, and pray. They can contact community clergy or faith groups, or simply be a comforting companion and a spiritual presence. Anyone can ask for [spiritual support](#). You do not have to have a religious affiliation (connection to a religion). Call 212-639-5982 to learn more.

Talking with Children About Cancer

Our [Talking with Children About Cancer program](#) provides information and support about how to talk with children and teens about cancer. They offer individual counseling and support groups. Call 212-639-7029 to learn more.
