How To Install the OMRON Silver BP5250

1. Download the OMRON Connect app from the iOS or Google Play store (see Figure 1).

Figure 1. Google Play Store

2. Open the app and select "OK" when prompted to connect to Bluetooth (see Figure 2).

Figure 2. Connect to Bluetooth

3. Select "United States" (see Figure 3).

Figure 3. Select "United States"

4. Sign into your OMRON account or sign up if you do not have one (see Figures 4 and 5).

Figure 4. Sign in

Figure 5. Sign up

5. Select "All OMRON Blood Pressure devices" (see Figure 6).

Figure 6. Select "All OMRON Blood Pressure devices"

 Press and hold the Bluetooth button on your blood pressure machine for 3 to 5 seconds. The letter "P" will appear on your blood pressure machine screen. Select "Next: Begin Pairing" in the OMRON Connect app (see Figure 7).

If you have questions or concerns, contact your healthcare provider. A member of your care team will answer Monday through Friday from 9 a.m. to 5 p.m. Outside those hours, you can leave a message or talk with another MSK provider. There is always a doctor or nurse on call. If you're not sure how to reach your healthcare provider, call 212-639-2000.

For more resources, visit www.mskcc.org/pe to search our virtual library.
