Cancer Straight Talk: A Man's Guide to Sex and Cancer (Podcast)

In this episode, Dr. Diane Reidy-Lagunes speaks with Dr. John Mulhall, director of Male Sexual and Reproductive Medicine at MSK and editor-in-chief of The Journal of Sexual Medicine, to discuss the impacts of cancer and its treatment on men's sexual health. Dr. Mulhall gives advice to help men regain their sexual function, both physically and emotionally, and provides insights on the latest therapies, products, and myths surrounding the subject. Some content may not be suitable for children.
