# Top 10 Things Lesbians Should Discuss With Their Healthcare Provider

This GLMA guide presents the health issues that have been identified as most commonly of concern for lesbians.

To view this information, please visit

[https://glma.org/10\\_things\\_lesbians\\_should\\_disc.php](https://glma.org/10_things_lesbians_should_disc.php)

If you have questions or concerns, contact your healthcare provider. A member of your care team will answer Monday through Friday from 9 a.m. to 5 p.m. Outside those hours, you can leave a message or talk with another MSK provider. There is always a doctor or nurse on call. If you're not sure how to reach your healthcare provider, call 212-639-2000.

For more resources, visit [www.mskcc.org/pe](http://www.mskcc.org/pe) to search our virtual library.
