# Understanding Genetic Testing for a Gene Mutation Found in Your Family

This video explains what to expect when having genetic testing for a gene mutation found in your family.

Please visit [www.mskcc.org/pe/genetic-testing-family-mutation](http://www.mskcc.org/pe/genetic-testing-family-mutation) to watch this video.

If you have questions or concerns, contact your healthcare provider. A member of your care team will answer Monday through Friday from 9 a.m. to 5 p.m. Outside those hours, you can leave a message or talk with another MSK provider. There is always a doctor or nurse on call. If you're not sure how to reach your healthcare provider, call 212-639-2000.
